

OptiSpec® Microscope

DE3200

Bare Fiber+

Domaille Engineering proudly introduces our OptiSpec® DE3200 Bare Fiber+. The DE3200 allows inspection of bare fiber end face and with a quick turn the bare fiber side profile. The additional position for a standard connector makes the DE3200 ideal for production departments and engineering labs.

Monitor and adapters sold separately

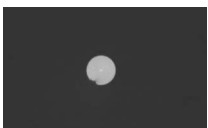

5x Side View

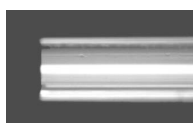

5x End View

10x Side View

10x End View

20x Side View

20x End View
