

Drip Tray & Splash Guard

Our user friendly design makes cleaning faster and more efficient by improving drainage as well as reducing water contamination to the polishing machine and surrounding work station.

This two part system is designed to be interchangeable with the previous drip tray as both require the same mounting bracket assembly.

Drip Tray Parts:

- PM12065F - Drip Tray
- PM20129 - Drip Tray Bracket (5400)
- PM21025 - Drip Tray Bracket (5300/5200/5100)
